PERTINENT INFORMATION				

(Dr. Karl Kurt KLEIN (See paragraphs 16 and 17 of attachment to MSB-W-2329)

According to RATKY, Dr. KLEIN is a member of a Swabian (Volks German) family which had fairly large estates in Hungary and which have now been confiscated. (The father, Anton KLEIN, was active in Hungarian politics before the war and opposed cooperation between the German minority in Hungary and the Nazis.) Dr. KLEIN escaped from Hungary to Austria in the spring of 1949. His brother-in-law is Colonel ZSOLNYAI, an important member of the MHBK. (not involved in any intelligence activities.) Dr. KLEIN is active in intelligence and works for the intelligence service of (Lt. Colonel) György KOLLENYI in Salzburg. (He was under the impression that RATKY said GOERNYI, but the circumstances indicate that KOLLENYI was meant.) The KOLLENYI service is the only Hungarian group still working for the German intelligence (Zipper).

Dr. KLEIN had allegedly spread the story that he was RATKY's deputy but RATKY disclaims to have any connection with him. RATKY is not aware that KLEIN has any left-wing or Russian contacts. Quite on the contrary, he is known to be anti-Communist and it is a fact that before the RAJK-PALFY-OESTERREICHER trial, the "conspirators hid out on the estate of Dr. KLEIN's father". (Reported by ☒ Furthermore, Dr. KLEIN was vigorous in attacking the Hungarian Repatriation Mission which came to Graz in June 1950.
